Google Chrome	23.0.1
Safari	5.1.7

Quick Start Instructions for *Matside Entry*

Brief overview of the steps involved using *Champion Wrestling Stats – Matside Entry*
1. **Download** the latest version for ***Champion Wrestling Stats*** desktop.
   The latest version should be **5.6.1** or later and can be obtained at www.pes-sports.com - **Downloads and Updates**.

2. **Register** as a user at www.mobilecws.com.
   This procedure involves entering account information**. Login Credentials** will be emailed after license verification and account validation is done by **Preferred Educational Software**.

3. **Prepare Files on Desktop PC** to be uploaded to **Mobile Web Server.**
   These files include information regarding your school (Wrestler Profiles, Opposing Schools, School Name, and Season).

4. **Upload Files from Desktop PC** to **Mobile Web Server**.
   This procedure uploads school information files school (Profiles, Schools, Settings) from the **Desktop PC** to the **Mobile Web Server**.

5. **Login** at www.mobilecws.com on mobile device(s) and enter matches (stats) for your school at a dual meet or tournament.

6. **Download Matches from Mobile Web Server to Desktop PC**.
   This procedure downloads a file containing all entered matches to your **Desktop PC**.

7. **Import Downloaded Matches to Desktop PC**.
   This procedure imports the matches so that they can be reviewed and checked for accuracy.

8. **Review** matches (stats) before completing import.
   This procedure allows you to **Preview** on screen or **Print** a report showing downloaded matches and check for accuracy.

9. **Finish Import** into ***Champion Wrestling Stats***. (**Current Season**).
   This procedure actually imports the matches into your **Current Season** after you have determined that they are accurate.

10. **Clear All Matches** on **Mobile Web Server**.
    This procedure will clear or delete all current matches (stats) on the **Mobile Web Server** making it ready for the next session of match entry at a dual meet or tournament.

11. **BackUp Current Season** for ***Champion Wrestling Stats*** desktop.
    This procedure will backup current season statistics once you have determined that all stats on your desktop computer are accurate.
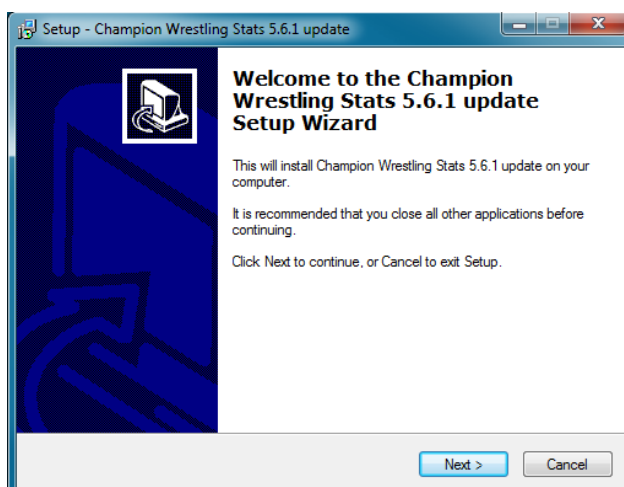

Updating Desktop Version

In order to transfer files between the desktop software *Champion Wrestling Stats* and *Matside Entry* on our **Mobile Web Server**, *Champion Wrestling Stats* must be updated to the latest version, version **5.61** or later. Updating *Champion Wrestling Stats* can be accomplished by going to our website at www.pes-sports.com and tapping on *Downloads and Updates*.

Scroll down to *Champion Wrestling Stats* and click on the update file named **cwsXXXupdate.exe**.

Depending on the version of you browser, you will be asked to **RUN** or **SAVE** the file.

Do you want to run or save **cws561update.exe** (7.55 MB) from **pessports.zftp.com**?	Run	Save	▾	Cancel	×

Click **RUN** and follow the dialogs to download and update your software.

If you only have a **SAVE** option, make sure you note the location where the update is saved (usually in your **Downloads** folder). After downloading, navigate to that location and **RUN** the download.

Note: Make sure *Champion Wrestling Stats* is **NOT** open and running when you attempt to update the software.

After updating, click **Help** and **About** and the version should indicate **5.6.1** or later.
